## XIAMEN BOYA INDUSTRIAL & TRADING CO.LTD.

Boya is a professional display racks manufacturer with over 16 years exporting experiences, founded in 2014, located in Xiamen City.

We specialized in the production of display stands and sample books for tile, stone, wood flooring, mosaic, carpet and other building materials.

Our products are widely used in many fairs, shops and showrooms. At present we owned 2 factories, with 10,000 square meters production plant and 10 production lines, Boya conduct very strict quality management system from the IQC to OQC, our factory can meet the quality management factory audit like BSCI and SGS Audited.

We pay great attention on every detail of the producing process of display racks from the raw material selecting, welding, powder painting, package to the quality inspection... Boya believe in the concept that quality priority, and we spend every effort to provide our clients with the best quality products and great service.

With years efforts, we have provided the display solutions for the customers from over 100 countries including USA, Canada, UK, Australia, United Arab emirates, Malaysia, south Africa etc.

With strict production standard, advanced equipment, and strong technology like R&D, OEM and ODM services, Boya have 100% confidence to provide you the guarantee deliver time, good quality grill with competitive price.

# OUR ADVANTAGE

---

## OEM/ODM SERVICES

More than 10 professional racks designer and Mechanical & Electronic Engineers.

## OVER 16VVVYRS EXPERIENCES

With sufficient exporting experiences, our team will give you professional suggestions for your local market.

## 10 YRS WARRANTY

In the principle of quality priority, we provide with 10 yrs long warranty for our display racks.

## QUALITY

Certified raw material, paint baking surface treatment, seamless welding and strictly supervising of processing.

## FACTORY DIRECTLY

With 2 factories in Xiamen since 2005, we can offer you competitive price.

## CERTIFICATE

Our factory can pass the BSCI factory audit and all of our raw material can meet the RoHS standards.
